NOTICE TO HAULIERS

Personal Protective Equipment (PPE)

It is strongly recommended that you wear a safety helmet (hard hat) and safety footwear, along with your hi-visibility vest/jacket, when out of your vehicle on the Terminal at Thamesport.

Please note that, with effect from Monday 22nd October 2007, this will become a **mandatory** requirement for all drivers working at Thamesport.

This is to ensure the safety of all drivers working at the Port. Drivers who fail to comply with this mandatory requirement will not be allowed access to the Terminal.

We thank you for your help and co-operation in this matter.
